TOXIC SUBSTANCES CONTROL PROGRAM

2151 BERKELEY WAY, ANNEX 7

BERKELEY, CA 94704

October 16, 1989

CERTIFIED MAIL

Mr. Denny Baker
Facilities Manager
Varian Solid State Microwave Division
3251 Olcott Street
Santa Clara, CA 95054

EPA ID No. CAT000625392

Dear Mr. Baker:

Your response to our Report of Violation (ROV) and Schedule for Compliance issued to Varian Solid State Microwave Division, 3251 Olcott Street, Santa Clara, California on July 25, 1989 was received on September 27, 1989.

Based on our review of that response, the Department of Health Services has determined that Varian Solid State Microwave Division has completed the required corrections within the scheduled time.

Thank you for your efforts to achieve compliance.

Sincerely,

RA Wheeler
